

# LIBRARY FOUNDATION *of* HILLSBORO

## **Our Mission:**

The Library Foundation of Hillsboro is made up of community volunteers who are passionate about books and learning, and who have a deep and abiding respect for the roles libraries play in communities. That passion drives our work to raise private funds that support the Hillsboro Public Library.

The “Foundation” in our name reflects our charitable status; equally important, it speaks to our role as builders. We are proud to be a cornerstone that provides a continuing base of support to our Library.
